

AWARE Inc.'s services for children with intellectual and developmental disabilities

Questions you might ask about your child...

Why isn't my child doing the same things her peers are doing?

Should I be concerned if my child doesn't make eye contact?

Will my child learn in a classroom setting?

Is there a reason why my child isn't talking?

Does my child have autism?

Do I qualify for state-funded services?

Where do I get an assessment?
